# Statutory Authority for Investments

- **Title II §1783(c) of the Federal Credit Union Act addresses investment authorizations for the NCUSIF**
  - Board may authorize the Secretary of the Treasury to invest and reinvest such portions of the fund as the Board may determine are not needed for current operations.
  - Must be in interest-bearing securities of the United States or in any securities guaranteed as to both principal and interest by the United States or in bonds or other obligations which are lawful investments for fiduciary, trust, and public funds of the United States, and the income shall constitute a part of the fund.
- **Only viable option is to invest through FedInvest that allows the NCUSIF to invest in:**
  - The required method for Federal Program Agencies to submit investment instructions is by using FedInvest. (Treasury Financial Manual, Part II, Section 4335.70)
  - Overnights with the rate indexed off the 4-week Treasury Bill.
  - Government Account Series securities that “mirror” US Treasury securities.
  - NCUA must adhere to U.S. Treasury policies.

# Treasury Policies on Investments

Department of Treasury policies govern investment of monies in Government Investment Accounts, and includes that:

- A Federal Program Agency for a Government Investment Account shall, to the best of its ability, develop its investment strategy to select investments with Maturity Dates that coincide approximately with the Federal Program Agency's disbursement estimates, so that the investments may be bought and held to the Maturity Dates.
- A Federal Program Agency for a Government Investment Account shall not engage in investment practices, including but not limited to security day-trading and large restructuring of investment portfolios, to take advantage of short-term Interest Rate fluctuations or to result in gains and losses.
