

**5310 Corporate Credit Union Call Report Form (Call Report) Changes for 2025**

We made several changes to the Call Report financial statements and accompanying schedules as follows:

1. Added a data field on the CCU 5310 Balance Sheet (Page 1 Section 1) for Prefunded Real Time Payment Account Balances held at the Federal Reserve.
2. Correct a typographical error on the CUSO and Miscellaneous tab (no formula changes just an update to the text).
3. Removed instructions for a data field no longer in use.
