INSTRUCTIONS

Effective December 31, 2024

Until Superseded

Profile Instructions Revisions

The following changes were made to the December 2024 Profile Instructions:

1. General Information tab, page 3, Item 10:
 - a. Added “Does your credit union operate exclusively online? Select “Yes” if the credit union operates exclusively online. If “Yes” is selected, the credit union website will be available in the Credit Union Locator application.”
2. General Information tab, page 3, Item 11:
 - a. Renumbered Item 10 to Item 11
3. General Information tab, page 3, Item 12:
 - a. Added “Select the name of the credit union’s automated anti-money laundering system. If the credit union’s anti-money laundering monitoring system is automated or a combination of automated and manual, provide the name of the credit union’s automated anti-money laundering system.”
4. General Information tab, page 3, Minority Depository Institution Questions section:
 - a. Separated and renumbered each Minority Depository Institution qualifying question. The existing items and one new question are now numbered 13, 14, and 15.
 - b. Removed item number. Modified “Answer “Yes” or “No.” See Minority Groups for the criteria to be considered a Minority Depository Institution. If you answer “Yes,” identify the minority groups represented by your current members, board of directors, and the community the credit union serves by checking the appropriate box(es).”

to:

“A credit union seeking designation as a Minority Depository Institution (MDI) must complete this section. Answer “Yes” or “No.” If you answer “Yes,” identify the minority groups represented by your board of directors, current members, and the community the credit union services, as designated in its field of membership, by checking the appropriate box(es). See Factors to Consider for MDI Designation below for guidance.
5. General Information tab, renumbered from Item 11 and:
 - a. Moved “Is more than 50 percent of your credit union’s board of directors:” to Item 13.
 - b. Moved to Item 13 and modified “Are more than 50 percent of your credit union’s current and eligible potential members:”

◇ Fields marked with a diamond (◇) are non-public and the NCUA will not release this information to the public.

to:

“Are more than 50 percent of your credit union’s current members:

- c. Added Item 15 “Is more than 50 percent of your credit union’s field of membership:
 - a. Asian American
 - b. Black American
 - c. Hispanic American
 - d. Native American”
- 6. General Information tab, page 3, changed Minority Groups to Factors to Consider for MDI Designation:
 - a. Modified “For purposes of minority representation, anyone who falls into more than one minority category (multi-racial or multi-ethnic individuals) is a single minority individual. Multi-racial or multi-ethnic individuals should select one of the provided minority groups.

All three conditions (current members, board of directors, and community it services) must be met to be classified as a minority depository institution. The community it services is defined as a credit union’s potential members according to the field of membership in its charter.”

to:

“To be classified as an MDI a credit union must meet all three conditions:

- 1. More than 50% of current members are from any of the eligible minority groups,
- 2. More than 50% of board members are from any of the eligible minority groups, and
- 3. More than 50% of the community it services are from any of the eligible minority groups. The community it services is defined as a credit union’s field of membership in its charter.

Eligible minority groups are Asian American, including individuals who are Native Hawaiian or Other Pacific Islander, Black American, Hispanic American, and Native American, including individuals who are American Indian or Alaska Native. For purposes of minority representation, an individual who falls into more than one of the minority categories (multi-racial or multi-ethnic individuals) will be considered as a single, eligible minority. Multi-racial or multi-ethnic individuals should be counted in only one of the provided minority groups.

An MDI may participate in the NCUA’s Minority Depository Institution Preservation Program subject to the eligibility requirements of any specific initiative. An eligible credit union’s decision to designate as an MDI or to participate in the Minority Depository Institution Preservation Program is voluntary.

◇ Fields marked with a diamond (◇) are non-public and the NCUA will not release this information to the public.

A credit union defined as a “small credit union” by the NCUA may self-designate greater than 50 percent representation among its current members, and within the community it services (field of membership), based solely on knowledge of those members.

A credit union not defined as small by the NCUA may rely on one of the methods below, as applicable, to determine the minority composition of its current membership and of the community it services. The credit union must maintain documentation supporting MDI self-designation.

- a. U.S. Census Bureau website for demographic data based on the area(s) where the current membership or field of membership resides.
- b. Home Mortgage Disclosure Act data to calculate the reported number of minority mortgage applicants divided by the total number of mortgage applicants within the credit union’s membership.
- c. Collect data from members who voluntarily choose to participate in such collection about their racial identity and use the data to determine minority representation among the credit union’s membership.
- d. Other reasonable forms of data, such as membership address list analyses or an employer’s demographic analysis of employees.

An MDI credit union must assess whether it continues to meet the required definition of an MDI and update its designation, if necessary, whenever there is a change in its board of directors, current membership, or field of membership. An MDI may elect to withdraw its designation by not completing the relevant questions in this section.

Refer to [Interpretive Ruling and Policy Statement \(IRPS\) 13-1](#), regarding the Minority Depository Institution Preservation Program for credit unions.”

7. Contacts and Roles tab, page 4, Item 5g:
 - a. Modified to include Audit Committee chairperson in federally insured state-chartered credit unions.
8. Contacts and Roles tab, page 4, Item 5h:
 - a. Modified to include Audit Committee members in federally insured state-chartered credit unions.
9. Contacts and Roles tab, page 4, Item 7e:
 - a. Modified “Provide an email address where the NCUA can send information, such as 314(a) notifications. If the credit union does not have an organizational email address, you may provide a personal email address. In the event the credit union has a single email address, the Patriot Act information must be treated as confidential and provided only to credit union individuals responsible for Bank Secrecy Act (BSA) compliance. NCUA provides FinCEN bi-weekly updates to the Patriot Act 314(a) point of contact, and it can take up to three weeks for changes to take effect. Patriot Act Contacts must

login to the FinCEN website and obtain the 314(a) lists when FinCEN emails a request or every 14 days, whichever occurs first. Because matches must be reported to FinCEN within 14 days, it is important to provide additional Patriot Act Contacts. If you have questions about the Patriot Act or BSA compliance, contact your NCUA district examiner or respective SSA.”

to:

“Provide an email address where the NCUA can send information, such as Bank Secrecy Act/anti-money laundering (BSA/AML) and anti-fraud messaging. If the credit union does not have an organizational email address, you may provide a personal email address. To access 314(a) lists in the secure Financial Institution (FI) Portal at <https://fiportal.fincen.gov>, users must create an account with <https://login.gov>. To prevent Financial Crimes Enforcement Network (FinCEN) messages from being blocked or directed to a spam folder, users should add FinCEN websites and email addresses to their list of approved senders and domains. Users are also encouraged to check with their credit union’s information technology department on any limitations or restrictions around file size limits when sending files to FinCEN. For FI Portal questions when you are in the FI Portal, click on “Help” and the “Contact Us” button. If you are unable to access the FI Portal, use the general FinCEN contact form at <https://fincen.gov/contact>.”

10. Contacts and Roles tab, page 4, Item 7f:

- a. Modified: “Provide an email address where information, such as 314(a) notifications, can be sent to the secondary contact person.”

to:

“Provide an email address where the NCUA can send information, such as BSA/AML and anti-fraud messaging, to the secondary contact person.”

11. Contacts and Roles tab, page 4, Item 7g:

- a. Modified: “Provide an email address where the NCUA can send information, such as 314(a) notifications.”

to:

“Provide an email address where the NCUA can send information, such as BSA/AML and anti-fraud messaging, to a third contact person, if applicable.”

12. Contacts and Roles tab, page 4, Item 7h:

- a. Modified: “Provide an email address where the NCUA can send information, such as 314(a) notifications.”

to:

“Provide an email address where the NCUA can send information, such as BSA/AML and anti-fraud messaging, to a fourth contact person, if applicable.”

◇ Fields marked with a diamond (◇) are non-public and the NCUA will not release this information to the public.

13. Contacts and Roles tab, page 4, Item 7l:

- a. Removed “for information security related updates.”
- b. Added “Report the credit union employee that NCUA should contact for questions about the credit union’s Information Security Program. Appendix A to Part 748 – [Guidelines for Safeguarding Member Information](#) provides guidance standards for the Information Security Program.”

14. Contacts and Roles tab, page 4, Item 7m:

- a. Added “NCUA regulations 748.1(c)(2) – Definitions defines a cyber incident as an occurrence that actually or imminently jeopardizes, without lawful authority, the integrity, confidentiality, or availability of information on an information system, or actually or imminently jeopardizes, without lawful authority, an information system. Report the credit union employee that NCUA should contact for questions about cyber incidents.”

15. Contacts and Roles tab, page 4, Item 9a:

- a. Added “Indicate if this is the preferred email address that NCUA or the credit union’s state supervisory authority should use for credit union correspondence.”

16. Contacts and Roles tab, page 4, Item 10a:

- a. Added “Indicate if this is the preferred email address that NCUA or the credit union’s state supervisory authority should use for credit union correspondence.”

17. Sites tab, page 5, Item 3:

- a. Added “Accurately identifying the Site Type is important for the Home Mortgage Disclosure Act (HMDA) Loan Application Register. The Federal Credit Union Act defines a branch office as a location where member accounts are established or loans are made. Members may or may not be able to establish accounts or apply for loans at a Corporate Office.

A Shared Service Center location should be identified as a Branch Office if members can open accounts or apply for loans at the Shared Service Center. If not, the Shared Service Center location should be identified as an Other Site Type.

An ATM is specifically excluded from the definition of a Branch Office by HMDA. If a stand-alone ATM is reported, it should be identified as an Other Site Type.”

18. Sites tab, page 5, Public Site Functions:

- a. Added “A credit union must select at least one public site function for the site to be published in the Credit Union Locator on NCUA.gov.”

19. Sites tab, page 5, Public Site Functions, Item e:

Factors to Consider for MDI Designation

[Return to instructions](#)

To be classified as an MDI a credit union must meet all three conditions:

1. More than 50% of current members are from any of the eligible minority groups,
2. More than 50% of board members are from any of the eligible minority groups, and
3. More than 50% of the community it services are from any of the eligible minority groups. The community it services is defined as a credit union’s field of membership in its charter.

Eligible minority groups are Asian American, including individuals who are Native Hawaiian or Other Pacific Islander, Black American, Hispanic American, and Native American, including individuals who are American Indian or Alaska Native. For purposes of minority representation, an individual who falls into more than one of the minority categories (multi-racial or multi-ethnic individuals) will be considered as a single, eligible minority. Multi-racial or multi-ethnic individuals should be counted in only one of the provided minority groups.

An MDI may participate in the NCUA’s Minority Depository Institution Preservation Program subject to the eligibility requirements of any specific initiative. An eligible credit union’s decision to designate as an MDI or to participate in the Minority Depository Institution Preservation Program is voluntary.

A credit union defined as a “small credit union” by the NCUA may self-designate greater than 50 percent representation among its current members, and within the community it services (field of membership), based solely on knowledge of those members.

A credit union not defined as small by the NCUA may rely on one of the methods below, as applicable, to determine the minority composition of its current membership and of the community it services. The credit union must maintain documentation supporting MDI self-designation.

- a. U.S. Census Bureau website for demographic data based on the area(s) where the current membership or field of membership resides.
- b. Home Mortgage Disclosure Act data to calculate the reported number of minority mortgage applicants divided by the total number of mortgage applicants within the credit union’s membership.

◇ Fields marked with a diamond (◇) are non-public and the NCUA will not release this information to the public.

GENERAL INFORMATION
NCUA FORM 4501A – PAGE 3

- c. Collect data from members who voluntarily choose to participate in such collection about their racial identity and use the data to determine minority representation among the credit union's membership.
- d. Other reasonable forms of data, such as membership address list analyses or an employer's demographic analysis of employees.

An MDI credit union must assess whether it continues to meet the required definition of an MDI and update its designation, if necessary, whenever there is a change in its board of directors, current membership, or field of membership. An MDI may elect to withdraw its designation by not completing the relevant questions in this section.

Refer to [Interpretive Ruling and Policy Statement \(IRPS\) 13-1](#), regarding the Minority Depository Institution Preservation Program for credit unions.

Contacts and Roles

The Contacts and Roles section of the Profile collects information about individuals employed by or associated with the credit union. If an individual holds more than one job title, check all job titles held by that individual. If a mandatory job title is currently vacant, enter “Vacant” in the first and last name fields.

If the manager or CEO position is currently vacant, enter the name of the individual who has temporary responsibility for managing the credit union’s daily operations. When a vacant position has been filled, the Profile needs to be updated to reflect current staffing.

Sites

The Sites section of the Profile is mandatory and includes information about the credit union’s main and branch offices, disaster recovery location, vital records center, and location of records. Report at least one corporate office and all branch offices.

Item No.	Instructions	Reason
1	<p>Site Name</p> <p>Provide a name to identify the site. A site name can be a specific name, letter, identifying acronym, or other form of identification that the credit union has assigned to an office. This field will be used to identify different credit union sites.</p>	Catastrophic Act or Continuity, Identification

Planned—A new site that is not operational yet. c. Suspended - Emergency—Site has been impacted by a disaster or some other event and is currently not operational. 	Catastrophic Act or Continuity, Identification
3	<p>Site Type</p>	

Accurately identifying the Site Type is important for the Home Mortgage Disclosure Act (HMDA) Loan Application Register. The Federal Credit Union Act defines a branch office as a location where member accounts are established or loans are made. Members may or may not be able to establish accounts or apply for loans at a Corporate Office.

A Shared Service Center location should be identified as a Branch Office if members can open accounts or apply for loans at the Shared Service Center. If not, the Shared Service Center location should be identified as an Other Site Type.

An ATM is specifically excluded from the definition of a Branch Office by HMDA. If a stand-alone ATM is reported, it should be identified as an Other Site Type.

Payday Alternative Loans (PALs I & II—FCU Only)—Select the type(s) of PALs loans currently offered by the credit union.

g. **PALs I (FCU Only)**—In September 2010, NCUA amended its general lending rule to enable FCUs to offer Payday Alternative Loans (PALs) as a viable alternative to predatory payday loans. The amendment permits FCUs to charge a higher interest rate for a PAL than is permitted under the general lending rule, but imposes limitations on the permissible term, amount, and fees associated with a PAL.

According to the NCUA regulations § 701.21(c)(7)(iii), [Payday alternative loans \(PALs I\)](#), PALs I are defined as closed-end loans with the following conditions:

- i. The principal of the loan is not less than \$200 or more than \$1,000;
- ii. The loan has a minimum maturity term of one month and a maximum maturity term of six months;
- iii. The Federal credit union does not make more than three PALs I or PALs II loans in any rolling six-month period to any one borrower and makes no more than one PALs I or II loans at a time to any borrower;
- iv. The Federal credit union must not roll over any PALs I or PALs II loans. The prohibition against roll-overs does not apply to an extension of the loan term within the maximum loan terms in paragraph (c)(7)(iii)(3) provided the Federal credit union does not charge any additional fees or extend any new credit;
- v. The Federal credit union fully amortizes the PALs I loan;
- vi. The Federal credit union requires the borrower to be a member for at least one month before receiving a PALs I loan;
- vii. The Federal credit union charges a reasonable application fee to all members applying for a new PALs I loan that reflects the actual costs associated

with processing the application, but in no case may the application fee exceed \$20; and

- viii. The Federal credit union includes, in its written lending policies, a limit on the aggregate dollar amount of PALs I and PALs II loans that does not exceed 20 percent of net worth and implements appropriate underwriting guidelines to minimize risk; for example, requiring a borrower to verify employment by providing at least two recent pay stubs.
- h. **PALs II (FCU Only)**—According to NCUA regulations § 701.21(c)(7)(iv), [Payday alternative loans \(PALs II\)](#), a Payday Alternative Loan (PALs II) is defined as a closed-end loan with the following conditions:
 - i. The principal of the loan is not more than \$2,000;
 - ii. The loan has a minimum maturity term of one month and a maximum maturity term of 12 months;
 - iii. The Federal credit union does not make more than three PALs I or II loans in any rolling six-month period to any one borrower, and makes no more than one PALs I or II loans at a time to any borrower;
 - iv. The Federal credit union must not roll over any PALs I or PALs II loan. The prohibition against roll-overs does not apply to an extension of the loan term within the maximum loan terms in paragraph (c)(7)(iv)(A)(3) provided the Federal credit union does not charge any additional fees or extend any new credit;
 - v. The Federal credit union fully amortizes the loan;
 - vi. The Federal credit union charges a reasonable application fee to all members applying for a new PALs II loan that reflects the actual costs associated with processing the application, but that in no case exceeds \$20;
 - vii. The Federal credit union does not assess a fee or charge, including a non-sufficient funds fee, on the borrower's account under the federal credit union's

overdraft service in connection with any PALs II loan; and

- viii. The Federal credit union includes, in its written lending policies, a limit on the aggregate dollar amount of PALs I and II loans made that does not exceed an aggregate of 20 percent of net worth and implements appropriate underwriting guidelines to minimize risk; for example, requiring a borrower to verify employment by providing at least two recent pay stubs.
